Describe your interests in, qualifications for, and commitments to the issues addressed by the working group. Note your ability to attend working group meetings and develop working group documents. Provide any other information that might help the working group in considering your request for membership.

I hereby agree to notify the Technical Standards Committee of any future changes in status, including change of employment or organization represented. I also agree that ESTA shall have full rights and license to use the materials I may provide or develop for the working group, and that I acquire no rights as an author of a joint work in any of the documents that might be produced by the working group.
